**To:** County Superintendents of Schools, County Auditors, and County Treasurers

**From:** Janet Sterling, Director  
School Fiscal Services Division

**Subject:** Notice of the Special Apportionment for the Economic Impact Aid Program,  
Fiscal Year 2000-01

This apportionment in the amount of \$25,333,445 is from funds appropriated in Item 6110-128-0001 of the 2000 Budget Act (Chapter 52, Statutes of 2000). The purpose of this apportionment is to provide growth funding for the Economic Impact Aid (EIA) program; growth funds were not provided in the previous EIA apportionment(s). Funding is for the purposes set forth in *Education Code* sections 54000 through 54041.

Charter schools that are participating in the charter school block grant funding model pursuant to Chapter 6 (commencing with Section 47630) of Part 26.8 of the *Education Code* will receive their EIA funding as part of the categorical component of the charter school block grant, which is allocated as part of the Principal Apportionment. The enrollment and/or ADA data for these charter schools have been excluded from the enrollment and/or ADA data that generate EIA funding for the chartering agency. Charter schools that are not participating in the charter school block grant funding model will receive their EIA funding through their chartering agency.

Warrants will be mailed to each County Treasurer approximately four weeks from the date of this Notice. There are no restrictions on the amount of EIA funds that may be carried over from one year to the next. For standardized account code structure (SACS) coding, use Resource Code 7090, Economic Impact Aid, and Revenue Object Code 8311, Other State Apportionments-Current Year. For non-SACS coding, use Income Account Code 8346, Economic Impact Aid, Economic Impact Aid. County superintendents of schools are requested to inform local educational agencies immediately of this apportionment.
